Abbreviations Key: Cty. = County, M =Male, FM= Female, Nat'l= National, & G= Grand, and Suggestors=Participants.

56,729 Total National Suggestions

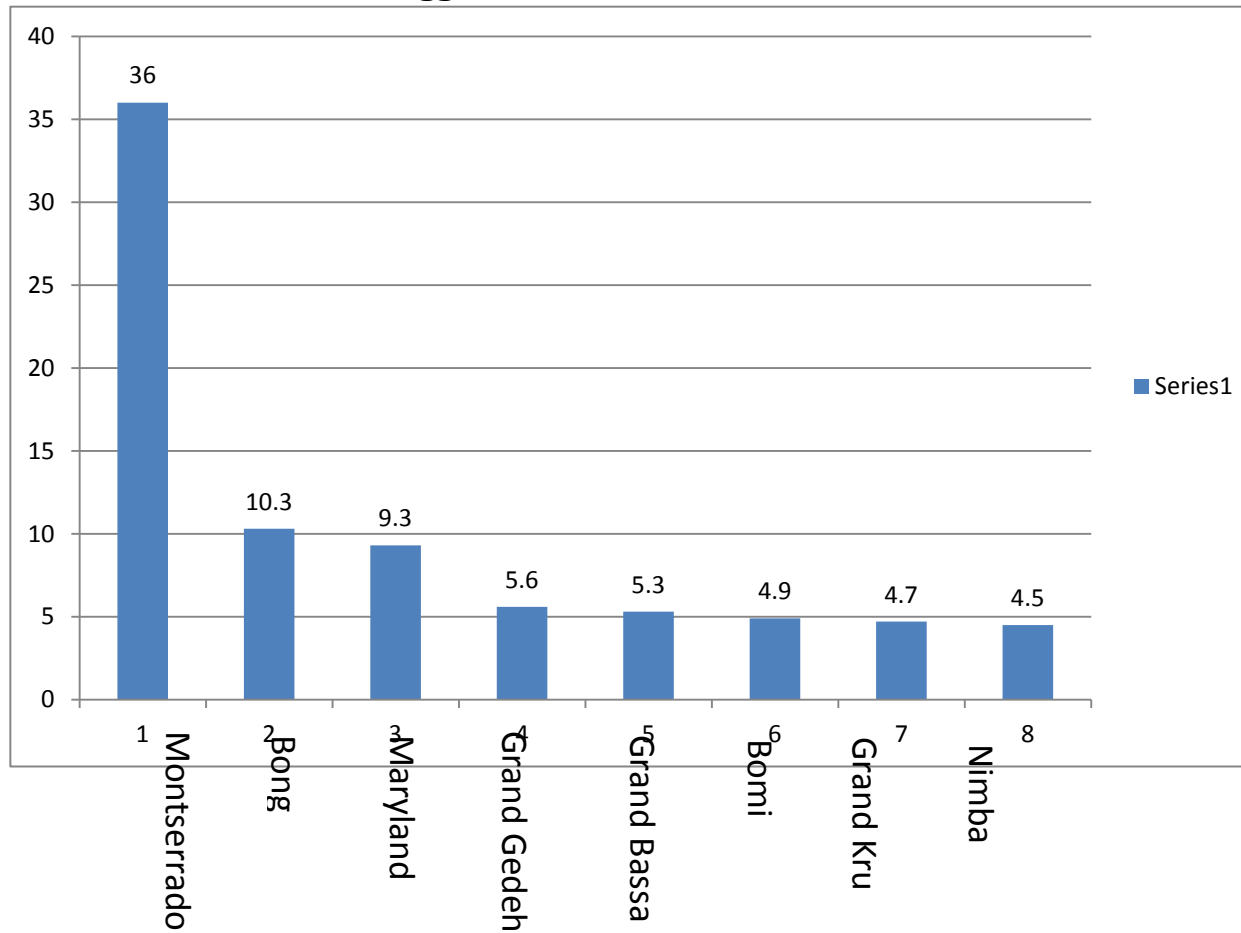

Figure1.Graph.

About 18,424 suggestors (participants) from 15 counties and 73 electoral districts made written suggestions on CRC's suggestions' forms amounting to 56,729 suggestions. The Graph above depicts eight (8) of Liberia's fifteen (15) Counties which showed high percent (80.6%) of the national total. Montserrado County has 36% of the total national suggestions and is follow by Bong and Maryland counties with 10.3% and 9.3% respectively.

18,424 Total National Suggestors

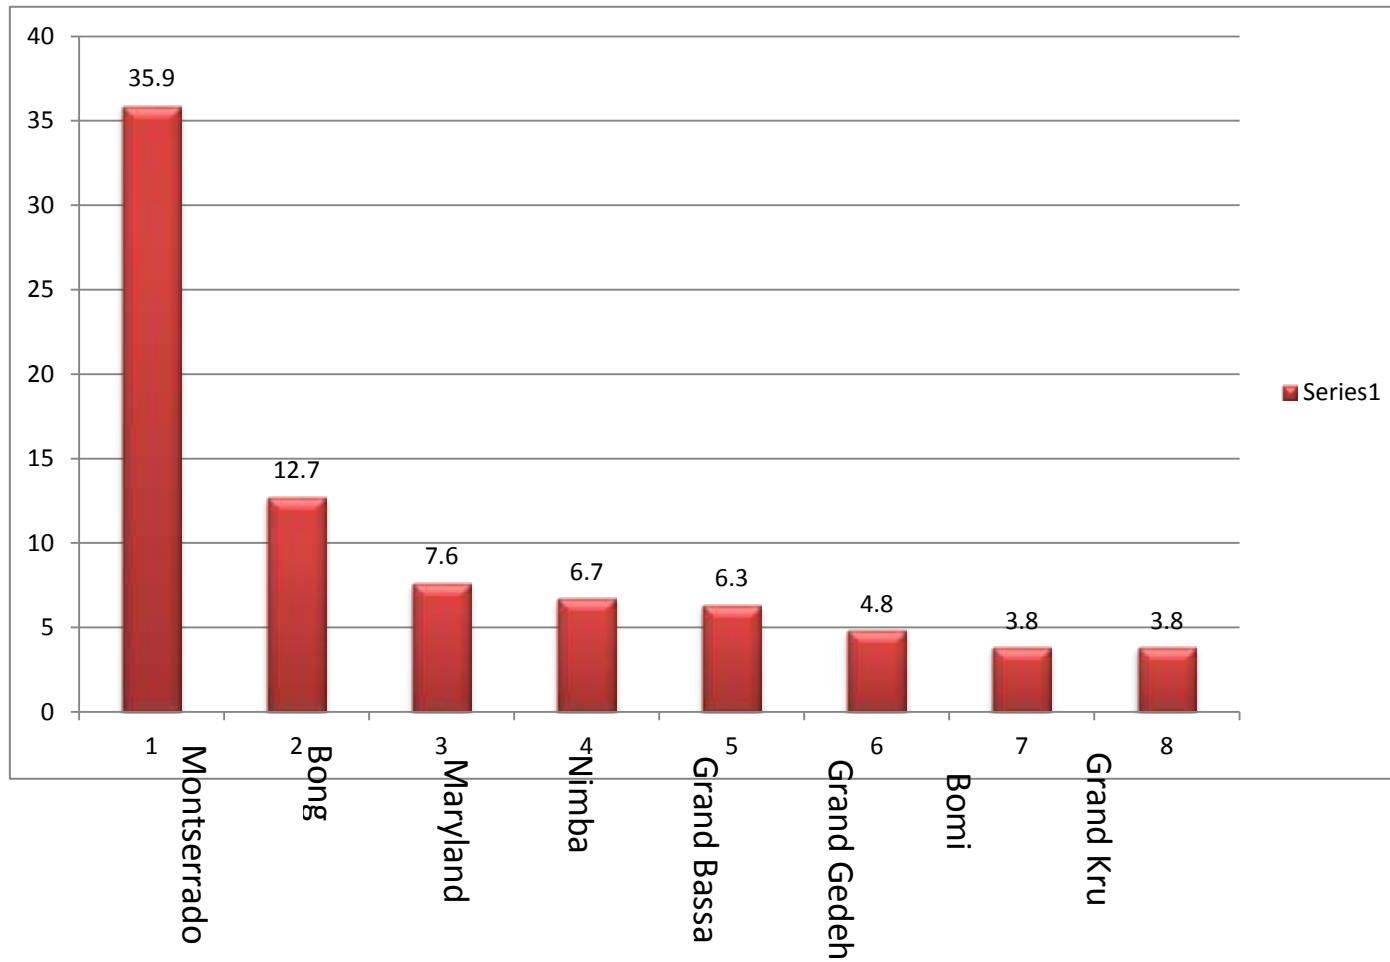

Figure 2.Graph.

In this graph, Montserrado County again showed high percentage of 35.9% of the total national suggestors (18,424) followed by Bong, Maryland, and Nimba Counties with 12.7%, 7.6%, and 6.7% respectively. The eight counties depicted above have percentages amounting to 81.6% of the total national suggestors.
