Because twelve (12) unbroken years spent in school without any prior or vocation knowledge is detrimental into our Liberian society. Furthermore, I suggested that NEC should supervise various parties' convention to promote efficiencies that will bring on board the individual to fill in the vacancies created by death or disabilities. | | | | |
| | | | | Article 14: I recommend that the Republic should establish state religion for religious respect of the nation. | | | | |
| | | | | Under the article 54, I recommends that superintendent should not nominated by the president but, be elect by the people to that county or district. | | | | |
| | | | | Under article 48, I recommends that representative should be elected for four year, Representative should elect once every years a speaker also shall be the presiding officer. | | | | |
| | | | | Under the article 14: recommend that senator should be elected for six years, and in the interest of the senators, and the second category shall serve a first term of four years only, after the first election | | | | |

The saying goes "when one is Hungry, the food staying longer on the fire maker the hunger worse, This saying goes with the six years terms of the president in Liberia. We need to go back to our former 4 years term. This makes people who are interested in becoming a leader of their country weary. Finally let have a referendum to go back to our four years term. | N/A | | | |
