

The Constitution Review Committee considers communication an essential tool for the implementation of its mandate. This tool consists of person to person communication, interactive meetings, radio talk shows, media engagement and many more. The Committee began weekly radio programs with the nation’s broadcaster, ELBC and LWDR on a daily basis. The CRC has also engaged communities, churches, mosque, intellectual centers and hospitals to explain the constitution review process to the people. As you go through this file, you will encounter the people and what their concerns are.

			Arthur Ziah	Xxx	What I want to say here is that all the laws are good but when the big man spoil the law nothing can happen but when the poor man spoil the law we punish them. Go to the courts even South Beach			

					(Prison) Poor people are there suffering. No justice for the poor. If even the President son spoils the law, let him be punished.			
			Joshua Makundu	Grass field, New Georgia	All the law business we are talking about is good. But it is the same law enforcers who can break the law. For example, the Motorcyclists issue-the same law enforcers are serving as transporters.			
			Joan	72 nd	Teenagers (13 to 14 years) are spoiling sexually used in the streets as prostitutes. Let something be put in the law book to stop this. Prostitutes should be licensed. 2 nd Time: I am meanly talking about the teenagers.			
			J.D. Kpei	Xxx	For most of our sisters that can go in the street, they are hot for riches. But people who have the means offer scholarships to their family members and friends. If these can be given to the less fortunate girls, they will leave the street. Some of those girls want to learn but no means. Some people and NGOs are not sincere.			
			Abraham	Randall Street	Police can be beating the motorcyclists and even jailing them but there is nothing else to do.			
			Zayzay Harris	Matadi	I will like for the lawmakers to put this into law; people who sell land to more than one person at the disadvantage of the poor should be punished.			

			Junior Walker	Peace Island	Is it right to not apply the law on everyone?
